118 And then and there delivered the said orders or scrip to the said plaintiff, amounting together to the sum of four thousand eight hundred and eighty-two dollars and forty-six cents. And the said plaintiff avers that afterwards, when the said several city orders or scrip became due and payable, according to the tenor and effect thereof, to wit, on the first day of January, A. D. 1862, at the district of Wisconsin aforesaid, the said city orders or scrip were duly presented or shown to the city treasurer for payment thereof, and the said city treasurer was then and there requested to pay the said several sums of money in the said several city orders or scrip specified, according to the tenor or effect thereof, but the said city treasurer did not nor would, when the said city orders or scrip were so presented and shown to him for payment as aforesaid, or at any time afterwards, pay the said several sums of money therein specified or any part thereof, but then and there wholly neglected and refused so to do. Of all which said several premises said defendant, afterwards, to wit, at the district of Wisconsin aforesaid, had notice, by means whereof the said defendant then and there became liable to pay to the said plaintiff the said several sums of money in the said several city orders or scrip specified, when the said defendant should be thereunto afterwards requested; and being so liable, the said defendant, in consideration thereof, afterwards, to wit, on the day and year last aforesaid, at the district of Wisconsin aforesaid, undertook and then and there faithfully promised the said plaintiff to pay him the said several sums of money in the said several city orders or scrip specified, amounting together to the sum of four thousand eight hundred and eighty-two dollars and forty-six cents, when the said defendant should be thereunto afterwards requested.

And for that whereas the said defendant, on the second day of

June, in the year one thousand eight hundred and sixty-two, at the said district of Wisconsin, was indebted to the said plaintiff in the sum of twenty thousand dollars, lawful money of the United States of America, for the work and labor, care and diligence of the said plaintiff by the said plaintiff before that time done, performed, and bestowed in and about the business of the said defendant and for the said defendant and at the special instance and request of the said defendant, and also for divers materials and other necessary things by the said plaintiff found, provided, used, and applied in and about that work, at the special instance and request of the said defendant. And being so indebted to the said plaintiff, the said defendant, in consideration thereof, afterwards, to wit, on the same day and year, and at the place aforesaid, undertook and then and there faithfully promised the said plaintiff well and truly to pay unto the said plaintiff the sum of money last mentioned, when the said defendant should be thereunto afterwards requested. And whereas also the said defendant afterwards, to wit, on the same day and year and at the place aforesaid, in consideration that the said plaintiff had before that time, at the like special instance and request of the said defendant, done, performed, and bestowed divers other work and labor, care and diligence, in and about the business of the defendant and for the said defendant, and had before that time found, provided, used, and applied divers other materials and other necessary things in and about that business, the said defendant then and there undertook and faithfully promised the said plaintiff that the said defendant would well and truly pay the said plaintiff so much money as the said plaintiff reasonably deserved to have of the said defendant for the same, when the said defendant should be thereunto afterwards requested. And the said plaintiff avers that the said plaintiff therefore reasonably deserves to have of the said defendant for the same the further sum of twenty thousand dollars, of like lawful money as aforesaid,
119 to wit, at the place aforesaid, whereof the said defendant afterwards, to wit, on the same day and year, and at the place aforesaid, had notice. And whereas, also, the said defendant afterwards, to wit, on the same day and year, and at the place aforesaid, was indebted to the said plaintiff in the sum of twenty thousand dollars, of like lawful money as aforesaid, for divers goods, wares, and merchandise by the said plaintiff before that time sold and delivered to the said defendant and at the like request of the said defendant; and in the further sum of twenty thousand dollars of lawful money as aforesaid, for so much money before that time lent and advanced by the said plaintiff to the said defendant and at the like request of the said defendant; and for other money by the said plaintiff before that time paid, laid out, and expended for the said defendant and at the request of the said defendant; and for other money by the said defendant before that time had and received to and for the use of the said plaintiff; and being so indebted, the said defendant in consideration thereof, afterwards, to wit, on the same day and year, and at the place aforesaid, undertook and then and there faithfully promised the said plaintiff well and truly to pay unto the said plaintiff the said

several sums of money in this count mentioned, when the said defendant should be thereunto afterwards requested. And whereas, also, the said defendant afterwards, to wit, on the same day and year, and at the place aforesaid, accounted together with the said plaintiff of and concerning divers other sums of money before that time due and owing from the said defendant to the said plaintiff and then and there being in arrear and unpaid, and upon such accounting the said defendant then and there found to be in arrear and indebted to the said plaintiff in the further sum of twenty thousand dollars of like lawful money as aforesaid. And being so found in arrear and indebted to the said plaintiff, the said defendant, in consideration thereof, afterwards, to wit, on the same day and year, and at the place aforesaid, undertook and then and there faithfully promised the said plaintiff well and truly to pay unto the said plaintiff the said sum of money last mentioned, when the said defendant should be thereunto afterwards requested.

Nevertheless, the said defendant, although often requested, &c., has not yet paid the several sums of money above mentioned, or any or either of them, or any part thereof to the said plaintiff, but to pay the same or any part thereof to the said plaintiff the said defendant has hitherto altogether refused, and still does refuse, to the damage of the said plaintiff of twenty thousand dollars. And therefore the said plaintiff brings suit, &c.

F. H. HEAD, *Att'y for Def't.*

GENTLEMEN: You will hereby take notice that the above defendant will insist and prove upon the trial of this cause, under the above plea of the general issue, that on or about the 23d March, 1853, the legislature of the State of Wisconsin passed an act amendatory of the charter of the city of Kenosha, which was approved on that day, and which forms chap. 110 of the Private Laws of Wis. for 1853; that sec. 8 of chap. 110 aforesaid, was and is unconstitutional and void, for the reason that the same is not in accordance with sec. 3 of art. 11 of the constitution of said State; that after the passage of the said amendatory act, the common council of said city, without any authority so to do, passed an ordinance, of which the following is a copy:

SECTION 1. *Be it ordained by the common council of the city of Kenosha,* That under and in accordance with section 8 of an act to amend the charter of the city of Kenosha, approved March 23, 1853, and section 44 of the act to incorporate the city of Kenosha, a question shall be submitted to the legal voters whether a tax to the amount of one hundred and fifty thousand dollars shall be levied and collected for the promotion of the common interest of the city in aid of the Kenosha and Beloit railroad, as follows, viz, fifty thousand dollars in 1856, fifty thousand dollars in 1857, and fifty thousand dollars in 1858.

SEC. 2. The election for this purpose shall be held on Tuesday, the 28th day of August instant, in the 1st ward at the City Hall, in the second ward, basement of Mr. N. R. conducted for city purposes. The ballots shall have written or printed thereon the words "For tax as provided by ordinance," or "Against tax."

SEC. 3. Upon the return and canvass of the votes cast, if it shall appear that a majority of the legal voters have voted for such tax, the mayor shall, in the name of the city of Kenosha, subscribe to the capital stock of the Kenosha and Beloit Railroad Company the sum of sixty-six thousand dollars, for which stock, on the reception by the treasurer of this city, of full paid certificates covering said sum, the mayor and clerk shall issue and deliver to the railroad company city scrip in such denominations as the proper officers of said company may request as follows: twenty-two thousand dollars payable first of January, A. D. 1857, twenty-two thousand dollars payable first of January, A. D. 1858, and twenty-two thousand dollars payable first of January, A. D. 1859; said scrip to bear an interest of 10 per cent., and the interest to be paid annually.

SEC. 4. The mayor shall further subscribe to the stock of said company, in the name of the city, the sum of eighty-four thousand dollars, said amount being understood to cover the stock subscriptions for which freeholders of this city are now responsible and have in part paid; but it is hereby expressly provided that the city is to pay of such subscriptions only such part as may remain unpaid, and as shall be collected from year to year under the provisions of section 1 of this ordinance in the shape of tax, and to such amount in each individual case as shall have been collected from the real estate
235 property of such freeholder or tax payer; said city at the time or times of such payment to recieve in its own name from said railroad company certificates of stock for the amount of money so paid.

SEC. 5. In collecting the taxes provided for by the first section of this ordinance the city treasurer shall receive as cash at par value, with interest, any of the scrip of the proper year, hereinafter provided to be issued, and also at their face, on or in full of such tax receipts of the treasurer of said railroad company, specifying the sum, with interest, which such person who offers said receipt shall have paid on his subscription to the stock as at the date of this ordinance appears in his name on the stock subscription book or books of the railroad company.

SEC. 6. Upon the payment of tax in cash, or city railroad scrip of the proper year as above provided, by any freeholder or real estate tax payer of this city, of an amount sufficient to cover the face and interest of a certificate or certicates of stock in the hands of the city treasurer, said freeholder or freeholders or real estate tax payers shall be entitled to receive and may demaud from said treasurer any such certificate or certificates, and the city treasurer is hereby authorized to make the necessary transfer thereof. On the final settlement of the tax account under this ordinance, the stock certificates remaining in the city treasury shall then be divided among the freeholders or real estate tax payers in such manner and proportions as shall be just and equitable according to the amount of assessment

upon the real estate of each, and the tax collected or realized therefrom. Until such division or distribution shall have been made, the certificates of stock in the hands of the city shall be voted upon at all meetings of stockholders as the mayor and council shall determine and direct.

An act authorizing the city of Kenosha to aid in the construction of the Kenosha and Beloit railroad.

The people of the State of Wisconsin, represented in the senate and assembly, do enact as follows:

SECTION 1. That the common council of the city of Kenosha be, and hereby is, authorized and empowered to issue the corporate bonds of said city to the Kenosha and Beloit Railroad Company, for the payment of a sum not exceeding one hundred and fifty thousand dollars. Council met this evening. Present, the mayor and all the aldermen. Minutes of last meeting were read and approved.

The city clerk laid before council the returns made to him of the special election held in this city on Tuesday, the 28th day of August, to determine the question whether a tax to the amount of one hundred and fifty thousand dollars shall be levied and collected for the promotion of the common interest of the city in aid of the Kenosha and Beloit railroad. And council having canvassed said returns the result was as follows: In the first ward the whole number of votes cast was 80, of which number 74 votes were for tax as provided by ordinance; six votes against tax. In the second ward the whole number of votes cast was 62, of which number fifty-one votes were for tax as provided by ordinance, and eleven votes against tax. In the third ward the whole number of votes cast was 92, of which number 87 votes were

for tax as provided by ordinance, and 5 votes against tax. Majority in favor of tax 190.

It was thereupon, on motion of Ald. Deming, declared that a majority of the legal voters of the city of Kenosha had decided in favor of levying and collecting a tax to the amount of $150,000 for the promotion of the common interest of the city in aid of the Kenosha and Beloit railroad.

Council then adjourned.

J. MURRAY, *City Clerk.*

And to the reading of which in evidence the said defendant did then and there object, for the reasons that the said action of the common council of the city of Kenosha is unconstitutional and void, and that the act of the legislature of the State of Wisconsin authorizing said action is unconstitutional and void; and said judges did then and there sustain said objection and rejected said evidence; and to which said ruling and decision of said judges said plaintiff, by his said counsel, did then and there except.

And said plaintiff, to further maintain the issue on his part, did offer to read in evidence the following from the records of the city of Kenosha:

241 And to the reading of which said city orders or city scrip, or any of them, in evidence said defendant, by its said counsel, did then and there object, for the reason that said action of the com-

mon council of the city of Kenosha is unconstitutional and void, and that the act of the legislature of the State of Wisconsin authorizing said action is unconstitutional and void; which said objections were then and there argued by the counsel for the respective parties, and said judges did then and there declare their opinion to be that the said objections were well taken to the admissibility of the said city orders or city scrip, and that the same were not competent evidence in this cause, and excluded and ruled the same out; and to which said ruling and decision said plaintiff, by his counsel, did then and there except.

R. Co., and therefore it is ordered that the mayor and clerk be, and they are hereby, authorized to issue city scrip in payment of said interest under the direction of the financial committee, amounting to $8,915; said city scrip to be made payable on the first day of January, 1861, with interest at the rate of seven per cent. per annum.

The question being taken on the adoption of the resolution it was agreed to.

SPECIAL MEETING, *October* 7, 1859.

Ald. Doan offered the following preamble and resolution:

Whereas the Kenosha, Rockford, and R. I. R. R. Co. did, by a certain article of agreement made and entered into between said company and the city of Kenosha, dated Sept. 4th, 1857, guarantee the payment of certain scrip issued by said city in aid of the Kenosha and Beloit (now K., R., and R. I. R. R. Co.,) and for securing of the performance of said agreement on the part of said company, the said company deposited with the treasurer of said city first-mortgage bonds upon said K., R., and R. I. R. R. Co., amounting to the sum of $85,000, with power to sell the same for the indemnity of the city for any expense the said city may incur on account of said scrip: Now, therefore, inasmuch as the city council has, by reason of the failure of said R. R. Co. to provide for said scrip, been obliged to make arrangements for and more directly assume and pay the same to the amount of about $49,000—

Be it resolved, That the mayor, clerk, and treasurer be, and they are hereby, authorized and instructed to give the notice to the R. R. co. which is required by the before-mentioned article of agreement, and then proceed to sell such an amount of said first-mortgage bonds as may be necessary to reimburse the city for the amount of scrip and interest paid up to the date of the notice which may be served pursuant to this resolution.

The preamble and resolution were adopted.

SPECIAL MEETING, *Feb.* 15, 1860.

The following resolution was presented by the mayor and read:

Resolved, That the 85 first-mortgage bonds of the Kenosha, Rockford, and Rock Island R. R. Co., held by the city of Kenosha to secure the city for the payment of scrip issued by the city in aid of said railroad company, by and with the consent of said railroad co., be placed in the hands of Abraham Hanson, trustee, upon the following conditions, to wit:

1. That said bonds be deposited in some bank in the city of New York to the credit of said Hanson, to be transferred by him to any party or parties who shall furnish sufficient railroad iron to lay the track of said railroad from its present termination, near Ge-
245 neva, to a connection with the western portion of said road at Howard, Ill.

2. That said Hanson before he parts with the possession of said bonds shall require a bill of sale of said railroad iron to some trustee, and the rails either to be delivered in Kenosha or the freight paid thereon to Kenosha, and a policy of insurance taken out for the actual value of said R. R. iron.

3d. That the mortgage now held by this city upon the track of said railroad co., and upon all its property, rights, and franchises, from the city of Kenosha to the State line of Illinois, be, and the same is hereby, cancelled and discharged upon the said R. R. co. delivering to the treasurer of this city $150,000 in the bonds of said company, secured by a second mortgage upon said road, its prop-

erty, rights, and franchises, from Kenosha to Howard, at the rate of $10,000 per mile.

4. That the delivery of said $150,000 of bonds secured as last above-mentioned be, and the same is hereby, declared to be a full and complete discharge and full settlement and payment of all demands that this city has against said R. R. Co.

Sec. 2 of the resolution was amended as follows: add at the close of said section the words "And in case the iron so purchased shall be lost in its transit from New York to Kenosha, the money received for its insurance shall be deposited in some bank in the city of New York for the repurchase of iron for the same purpose.

The question was then taken on the resolutions as amended, and adopted.

REGULAR MEETING, *May 19th*, 1862.

Ald. Quarles, of the judiciary committee, made the following report on city indebtedness:

The judiciary committee, to whom was referred the subject of the city indebtedness, report that they have examined the records relating thereto and have cast the interest on the bonds issued by the city up to July 1st, 1862.

The $66,000 railroad scrip was partially redeemed, and to ascertain the exact sum outstanding required more labor than, in the opinion of the committee, was necessary to accomplish the object in view, viz: to ascertain nearly the indebtedness of the city.

It was therefore assumed that $38,000 of said scrip is still unredeemed, on which sum interest was cast at the rate of 7 per cent. to July 1st, 1862, at which time we find the amount due on harbor and railroad bonds and scrip to be $395,066 34, exclusive of costs on judgments, &c.

And to the reading of which said proceedings, or any part thereof, in evidence said defendant, by its said counsel, did then and there object, for the same reasons as urged to the introduction of the said city orders or city scrip. And said judges did then and there sustain said objection, and ruled out said testimony and each and every part thereof and rejected the same; and to which said ruling and decision of the said judges the said plaintiff did then and there except.

And the above and the foregoing was all the evidence offered and given on the trial of the cause.

And thereupon the presiding justice charged the jury that the plaintiff having failed to offer any evidence in the cause their verdict should be for the defendant; and thereupon the jury returned a verdict for the defendant.

And because the said exceptions and none of them appear in the record of the proceedings of this cause we have, at the request of the respective parties hereto, set our hands and seals, at the
246 city of Milwaukee, in the State of Wisconsin, this twenty-ninth day of September, A. D. 1864, to this bill of exceptions.

And afterwards, to wit, on the nineteenth day of November, A. D. 1864, came the plaintiff, by his counsel, and filed his bond, duly approved by the district judge, in the words and figures following, to wit:

Bill of exceptions.

Circuit of the United States for the district of Wisconsin.

ALONZO CAMPBELL
vs.
THE CITY OF KENOSHA.

Be it remembered that heretofore, to wit, on the twenty-third day of September, A. D. 1867, at the United States court-room in the city of Milwaukee and State of Wisconsin, before the Honorable David Davis, associate justice of the Supreme Court of the United States, and the Honorable Andrew G. Miller, district judge of the United States in and for the district of Wisconsin, holding a term of the circuit court of the United States in and for said district of Wisconsin came as well said plaintiff, by Finches, Lynde & Miller,

his attorneys, and the said defendant, by John W. Cary, its attorney, and the said cause being ready for trial in its order upon the calendar, and the respective parties, by their respective counsel, having announced themselves ready to proceed with said trial, and the
254 said parties respectively having by a stipulation in writing now on file in this suit, waived a jury: And thereupon the said plaintiff, to maintain the issue on his part, offered to read in evidence section forty-four of a certain act of the legislature of the State of Wisconsin, entitled "An act to incorporate the city of Kenosha," approved February 8th, 1850; to the reading of which in evidence the said defendant did then and there object, which objection the said judges then and there overruled, and to which ruling and decision the said defendant did then and there except, and thereupon said section of said act was read in evidence as follows, to wit:

"SEC. 44. No tax shall be levied nor money or other property shall be borrowed under the provisions of section 43, unless a majority of the voters, possessed of a freehold estate, or occupying lots upon leases, on which lots they pay the taxes, who shall actually vote upon the question, shall first in each year determine to raise such a tax or authorize such loan; and for the purpose of determining whether such tax shall be raised or loan made, the city council shall order a special election of the voters at such times and in such places in the several wards as they shall deem proper, giving ten days'
255 notice of the same in some newspaper printed in said city. Such elections shall be conducted in the same manner as other elections in said city are conducted for city purposes. The city council shall have power, for the purposes contained in this and the previous section, to pass an ordinance prescribing the powers and duties of the assessors of said city, as to the time and manner of assessing the lands and lots, and the method of equalizing and perfecting the same; and in case said tax, or any portion thereof, remains unpaid on the last day of December after said tax has been levied, the lands and lots upon which the tax remains unpaid shall be returned and sold in the same manner, and be subject to the same provisions, as in case of the non-payment of other city taxes."

And said plaintiff, to further maintain said issue on his part, offered to read in evidence a certain act of the legislature of the State of Wisconsin, entitled "An act authorizing the city of Kenosha to aid in the construction of the Kenosha and Beloit railroad," approved March 22, 1853, to the reading of which in evidence the said defendant did then and there object, for that the same was immaterial and irrelevant, which objection the said judges then and there
256 overruled, and to which ruling and decision said defendant did then and there except, and thereupon said act was read in evidence as follows, to wit:

"The people of the State of Wisconsin, represented in senate and assembly, do enact as follows:

"SECTION 1. That the common council of the city of Kenosha be, and hereby is, authorized and empowered to issue the corporate bonds of said city to the Kenosha and Beloit Railroad Company for

the payment of a sum not exceeding one hundred and fifty thousand dollars; such bonds shall be transferable either by endorsement or delivery, and shall be made payable at a period not exceeding twenty years, with interest payable semi-annually, at such place as shall be fixed by said common council, at a rate not exceeding seven per centum per annum.

"SEC. 2. Upon the execution and delivery of the bonds mentioned in the preceding section, the Kenosha and Beloit Railroad Company shall execute to the city of Kenosha a bond secured by mortgage upon the railroad to be constructed by said company, together with its lands, tenements, equipments, and appurtenances, or such part thereof as shall be agreed upon, which bond and mortgage shall correspond in amount and terms of payment with the city bonds
257 to be issued by the common council of the city of Kenosha in pursuance of this act. The bond and mortgage so executed by said railroad company shall be subject to such other lien or mortgage as may be executed by said railroad company for an amount not exceeding one-half of the cost of said railroad, its equipments, and appurtenances, and which shall constitute a first lien upon said road, its equipments, and appurtenances, without regard to the priority of the date or record of the same.

"SEC. 3. The bond and mortgage executed by said railroad company to said city of Kenosha, and the interest thereon, as well as the faith and credit of said city, are hereby irrevocably pledged for the payment of the interest and principal of said city bonds issued in pursuance of the first section of this act; and the common council of said city, whenever necessary, shall levy a tax upon the taxable property of said city, sufficient, with the interest received from said railroad company upon its bond and mortgage, to pay the interest upon said city bonds as the same shall fall due.

"SEC. 4. No such bonds shall be issued under the provisions of this act unless a majority of the legal voters of said city,
258 voting upon said question at an election called for that purpose, shall vote in favor thereof. At such election, those voting in favor shall vote a ballot containing the words 'For the railroad,' and those voting against shall vote a ballot containing the words 'Against the railroad.' Notice of the times and places of holding such elections shall be published at least one week in one or more of the newspapers published in said city, and said election shall be conducted and the votes canvassed and returned in the same manner as at other city elections.

"SEC. 5. This act shall take effect from and after its passage.

"Approved March 22, 1853."

And said plaintiff, to further maintain said issue on his part, offered to read in evidence section eight of a certain act of the legislature of the State of Wisconsin, entitled "An act to amend the charter of the city of Kenosha," approved March 23, 1853, to the reading of which in evidence the said defendant did then and there object, for that the said eighth section of said act was unconstitutional and void, which objection the said judges then and there overruled, and

259 to which ruling and decision said defendant did then and there except. And thereupon the said eighth section of said act was read in evidence as follows, to wit:

"SEC. 8. The city council shall have power to levy and collect special taxes for any purpose (aside from what may be specially provided for in the city charter) which may be considered essential to promote or secure the common interest of the city, or may borrow on the corporate credit of the city, for such purposes, any sum of money, for any term of time, at any rate of interest not exceeding ten per centum, and payable at any place that may be deemed expedient. Bonds or scrip may be issued therefor under the seal of the corporation, and the resources and credit of the city pledged for the repayment of the sums so borrowed, with the interest on the same. All such moneys shall be expended under the direction of the city council. But no tax shall be levied, or money borrowed, except in accordance with the provision of section forty-four of the city charter, and in all cases when questions under this section are submitted to qualified voters the amount and object of the proposed tax or loan shall be specifically stated to be voted upon. Taxes for any of the objects here contemplated shall be levied exclusively
260 upon all the lots and lands in said city not exempt from taxation by laws of this State or United States, and not including or estimating any improvements made thereon."

And said plaintiff, to further maintain said issue on his part, offered to read in evidence a certain act of the legislature of the State of Wisconsin, entitled, "An act to provide for the election of a railroad commissioner in the city of Kenosha," approved October 2, 1856, to the reading of which in evidence the said defendant did then and there object for that the same was immaterial and irrelevant, which said objection the said judges then and there overruled, and to which ruling and decision said defendant did then and there except.

And thereupon the said act was read in evidence as follows, to wit:

"The people of the State of Wisconsin, represented in senate and assembly, do enact as follows:

"SECTION 1. There shall be elected in the city of Kenosha, on the 4th day of November next, (being the day appointed for the general election in this State,) and thereafter on the first Tuesday of April of every year, a railroad commissioner for said city, who shall hold his office until the first Tuesday in April, 1857, and until his suc-
261 cessor is duly elected and qualified.

"SEC. 2. Said officer shall, within four days after his election, take and subscribe an oath that he will faithfully discharge his duties, and such oath shall be filed in the office of the clerk of said city, and no fee or compensation of any kind shall be paid to said officer.

"SEC. 3. All persons in said city having the qualifications prescribed in section 44 of the charter shall be entitled to vote for the officer provided for by the first section, and no person not having said qualifications as a voter shall be eligible to said office.

"SEC. 4. The judges of election in the several wards of said city

shall provide a separate box for the votes for 'railroad commissioner;' and the returns, when made up by said judges, shall be deposited with the city clerk to be canvassed, and the result declared by the mayor and the city counsel, and upon such declaration the clerk shall issue a certificate thereof, under the seal of the city, and deliver the same to the person so elected.

"SEC. 5. It shall be the duty of said commissioner to attend all meetings of the stockholders of the Kenosha and Beloit Railroad
262 Company, and to vote in person, the same as any individual stockholders, on all shares of stock held by the city of Kenosha in the stock of said company; he being entitled to one vote for every share of stock so held as may appear on the books of said company. And said officer shall have generally the charge and control of all interest the city of Kenosha now has or may hereafter have in the Kenosha and Beloit railroad.

"SEC. 6. Said commissioner shall be ex officio a member of the board of directors of the said Kenosha and Beloit Railroad Company, with all the duties, responsibilities, and powers incident to the office of director under the charter of said railroad company.

"SEC. 7. All acts and parts of acts inconsistent with the provisions of this act are hereby repealed and this act shall have immediate effect.

"SEC. 8. In case of the resignation, death, or inability to serve from any cause, of the railroad commissioner elected under the provisions of this act, the mayor and city council shall order a special election to supply the vacancy, which special election shall be conducted in all respects as other elections are under the city charter, the qualifications of voters and the eligibility to hold said office
263 being the same as prescribed in section 44 of the city charter approved October 2, 1856."

And said plaintiff, to further maintain said issue on his part, offered to read in evidence section two of chapter one of a certain act of the legislature of the State of Wisconsin, entitled "An act to consolidate and amend the act to incorporate the city of Kenosha, and the several acts amendatory thereof," approved March 2, 1857, to the reading of which in evidence the said defendant did then and there object, which said objection the said judges then and there overruled, and to which ruling and decision said defendant did then and there except.

And thereupon the said section was read in evidence as follows, to wit:

"SEC. 2. The inhabitants of said city shall be a corporation by the name of the 'City of Kenosha,' and by that name may sue and be sued, complain and defend in any court, contract and be contracted with, make and use a common seal and alter it at pleasure, and take, hold, and purchase, lease, and convey, such real and personal estate as the purposes of the corporation may require, within or without the limits of said city, and shall otherwise possess the general powers of municipal corporations at common law."

264 And said plaintiff, to further maintain said issue on his part, offered to read in evidence chapter twelve of the act of the legislature of the State of Wisconsin last above mentioned, to the reading of which in evidence said defendant did then and there object for that the same was immaterial and irrelevant, which said objection the said judges then and there overruled, and to which ruling and decision said defendant did then and there except. And thereupon the said chapter was read in evidence, as follows, to wit:

"CHAPTER 12.—*Of railroad commissioners.*

"SEC. 1. The railroad commissioner shall be ex officio a member of the board of directors of the Kenosha and Beloit Railroad Company, with all the duties, responsibilities, and powers incident to the office of directors under the charter of said railroad company.

"SEC. 2. It shall be the duty of said commissioner to attend all meetings of the stockholders of the Kenosha Railroad Company, and to vote in person, the same as any individual stockholder, in all shares of stock held by the city of Kenosha in the stock of said company.

"SEC. 3. The railroad commissioner shall have generally the charge and control of all interest the city of Kenosha now
265 has, or may hereafter have, in the Kenosha and Beloit railroad. He shall receive all funds paid into the hands of the city treasurer on account of the tax for the benefit of the Kenosha and Beloit Railroad Company, and shall hereafter redeem all scrip which has been issued to said railroad company as the same becomes due, making such provisions therefor, or recommending such measures to the common council, as he may deem necessary for the protection and benefit of the tax payers of the city."

And said plaintiff, to further maintain said issue on his part, offered to read in evidence sections one, two, and three of an ordinance passed by the common council of the city of Kenosha, on the 16th day of August, 1855, entitled "An ordinance in relation to a tax in aid of the Kenosha and Beloit railroad," to the reading of which said ordinance, or any part thereof, in evidence, the said defendant did then and there object, for that the said ordinance was illegal, unconstitutional, and void, which said objection the said judges then and there overruled, and to which ruling and decision said defendant did then and there except. And thereupon the said sections of said ordinance were read in evidence as follows, to wit:

266 "*Ordinance No. 32.—In relation to a tax in aid of the Kenosha and Beloit railroad.*

"SECTION 1. Be it ordained by the common council of the city of Kenosha, that under and in accordance with section 8 of 'An act to amend the charter of the city of Kenosha,' approved March 23, 1853, and section 44 of the 'Act to incorporate the city of Kenosha,' a question shall be submitted to the legal voters whether a tax to the amount of one hundred and fifty thousand dollars shall be levied and collected for the promotion of the common interest of the city

in aid of the Kenosha and Beloit railroad, as follows, viz., fifty thousand dollars in 1856; fifty thousand dollars in 1857; and fifty thousand dollars in 1858.

"SEC. 2. The election for this purpose shall be held on Tuesday, the 28th day of August instant, in the 1st ward, at the city hall; in the 2nd ward, basement of Mr. N. R. Allen's dwelling-house; and in the 3d ward, at No. 2 engine house. The polls shall be opened at 9 a. m. of said day and close at 12 m.; open again at 1 p. m. and finally closed at 5 p. m. The qualifications of voters are as prescribed by section 44 of the act last above referred to, and the election shall be conducted generally as other elections in
267 said city are conducted for city purposes. The ballots shall have written or printed thereon the words 'For tax as provided by ordinance' or 'Against tax.'

"SEC. 3. Upon the return and canvass of the votes cast, if it shall appear that a majority of the legal voters have voted for such tax, the mayor shall, in the name of the city of Kenosha, subscribe to the capital stock of the Kenosha and Beloit Railroad Company the sum of sixty-six thousand dollars, for which stock, on the reception by the treasurer of this city of full-paid certificates covering said sum, the mayor and clerk shall issue and deliver to the railroad company city scrip, in such denominations as the proper officers of said company may request, as follows: Twenty-two thousand dollars, payable first of January, A. D. 1857; twenty-two thousand dollars, payable first of January, A. D. 1858; and twenty-two thousand dollars, payable first of January, A. D. 1859; said scrip to bear an interest of ten per cent., and the interest to be paid annually."

And said plaintiff, to further maintain said issue on his part, offered to read in evidence certain proceedings of the common council of the city of Kenosha had on the 29th day of August, 1855, to the
268 reading of which in evidence said defendant did then and there object for that said proceedings were illegal, unconstitutional, and void, which said objection the said judges then and there overruled, and to which ruling and decision said defendant did then and there except. And thereupon said proceedings were read in evidence as follows, to wit:

"MEETING, WEDNESDAY, *Aug.* 29, 1855.

"Council met this evening. Present, the mayor and all the aldermen. Minutes of the last meeting were read and approved.

"The city clerk laid before council the returns made to him of the special election held in this city on Tuesday, the 28th day of August, to determine the question whether a tax to the amount of one hundred and fifty thousand dollars shall be levied and collected for the promotion of the common interest of the city in aid of the Kenosha and Beloit railroad; and council having canvassed said returns the result was as follows: In the first ward the whole number of votes cast was 80, of which number 74 votes were for tax, as provided by ordinance; six votes against tax. In the second ward the

whole number of votes cast was 62, of which number fifty-one votes were for tax, as provided by ordinance, and eleven votes against tax. In the third ward the whole number of votes cast was 92, of which number 87 votes were for tax, as provided by ordinance, and
269 5 votes against tax. Majority in favor of tax, 190.

"It was thereupon, on motion of Ald. Deming, declared that a majority of the legal voters of the city of Kenosha had decided in favor of levying and collecting a tax to the amount of $150,000 for the promotion of the common interest of the city in aid of the Kenosha and Beloit railroad.

"Council then adjourned.

"J. MURRAY, *City Clerk.*"

And said plaintiff, to further maintain said issue on his part, offered to read in evidence a certain portion of the records of said city of Kenosha, to the reading of which in evidence said defendant did then and there object for the same reasons hereinbefore stated, which objection the said judges did then and there overrule, and to which ruling and decision said defendant did then and there except. And thereupon said records were read in evidence, as follows:

"CITY CLERK'S OFFICE, *April* 31, 1856.

"This day were delivered to the Kenosha and Beloit Rail. Co. three orders of twenty-two thousand dollars ($22,000) each, with interest at ten (10) per cent., numbered one, (1,) two, (2,) and three, (3,) and payable as follows: No. 1, January 1st, 1857; No. 2, January 1, 1858; No. 3, January 1st, 1859; in accordance with an ordi-

"J. MURRAY, *City Clerk.*"

And said plaintiff, to further maintain said issue on his part, offered to introduce and read in evidence five hundred and eighty-nine city orders or scrip, issued by said defendant, amounting in the aggregate to the sum of sixteen thousand nine hundred and sixty-four dollars, to the introduction and reading of which said city orders or scrip in evidence said defendant did then and there object, for the reason that said action of the common council of the city of Kenosha is unconstitutional and void, and that the act of the legislature of the State of Wisconsin authorizing said action is unconstitutional and void, and that said city orders or scrip are illegal and void, which said objection the said judges then and there overruled, and to which ruling and decision said defendant did then and there except. And thereupon said city orders or scrip were read in evidence, as follows:

(True and accurate copies of said city orders or scrip are set out in and annexed to the declaration on file in this cause, and which said copies are hereby made part of this bill of exceptions.)

271 And said plaintiff, to further maintain said issue on his part, offered to introduce and read in evidence from the records of the city of Kenosha certain proceedings of the common council of said city of Kenosha, to the introduction and reading of which in evidence said defendant did then and there object for the same reasons hereinbefore stated, which said objection the said judges then and there overruled, and to which ruling and decision said defendant did then and there except. "A. B. Smith, president of K., R., and R. I. R. R. Co., presented the following resolution:

"At a meeting of the executive committee of the Kenosha, Rockford, and Rock Island Railroad Company at their office, June 16th, 1859, it was

"*Resolved*, That the president of this company be authorized to sell and deliver to the treasurer of the city of Kenosha twenty thousand dollars of the first mortgage bonds of said road, now in the hands of the city treasurer, in payment of $13 169 46-100, Kenosha city R. R. scrip, including accrued interest, which was re-
274 deemed by said city in consequence of the railroad co. failing to do so pursuant to a contract with said city.

"The above is a true copy of a resolution on record.

"S. C. JOHNSON, *Sec'y*.

"The committee to whom was referred the matter of arranging for the payment of the city railroad scrip reported that they have seen the most of those that hold said scrip living in the city of Kenosha, and that they have agreed to take new scrip: one-third due Jan. 1st, 1860; one-third due Jan. 1st, 1861; one-third due Jan. 1st, 1862, with interest at 7 per cent.

"The committee would recommend that the mayor and city clerk be authorized to issue new scrip and take up the old.

"THOS. D. BOND,
"P. H. WOOD,
"S. FISH, *Committee*.

"The committee also presented the following agreement of the holders of the city R. R. scrip:

"To the mayor and common council of the city of Kenosha:

275 third, Jan. 1st, 1861; and one-third payable Jan. 1st, 1862;

the same to be receivable in payment of taxes assessed by said city for the years 1859, 1860, and 1861, respectively.

"Dated at Kenosha, June 15th, 1859.

"The report was accepted.

"Ald. Pettit moved that the report of the committee be adopted and the mayor and clerk authorized to issue new scrip and take up the old; which was agreed to.

"Ald. Pettit offered the following resolution:

"*Resolved*, That we regard it as necessary that this council should make immediate and suitable provisions for the interest due and to become due on the first day of July next on the bonds of this city issued in aid of the Kenosha and Beloit, and Kenosha, Rock-
276 ford, and Rock Island R. R. Co., and therefore it is ordered that the mayor and clerk be, and are hereby, authorized to issue city scrip in payment of said interest, under the direction of the financial committee, amounting to $8,915, said city scrip to be made payable on the first day of January, 1861, with interest at the rate of seven per cent. per annum.

"The question being taken on the adoption of the resolution, it was agreed to.

"SPECIAL MEETING, *October* 7, 1859.

"Ald. Doan offered the following preamble and resolutions:

"Whereas, the Kenosha, Rockford, and R. I. R. R. Co. did, by a certain article of agreement made and entered into between said company and the city of Kenosha, dated Sept. 4th, 1857, guarantee the payment of certain scrip issued by said city in aid of the Kenosha and Beloit (now K., R., and R. I.) R. R. Co., amounting to the sum of $85,000, with power to sell the same for the indemnity of the city for any expense the said city may incur on account of said scrip:

"Now, therefore, inasmuch as the city council has, by reason of the failure of said R. R. Co. to provide for said scrip, been obliged to make arrangements for and more directly assume and pay the same to the amount of about $49,000,

"*Be it resolved*, That the mayor, clerk, and treasurer be, and they are hereby, authorized and instructed to give the notice to the
277 R. R. Co. which is required by the before-mentioned article of agreement, and then proceed to sell such an amount of said first mortgage bonds as may be necessary to reimburse the city for the

amount of scrscrip and interest paid up to the date of the notice which may be served pursuant to this resolution.

"The preamble and resolution were adopted.

"SPECIAL MEETING, *Feb.* 15, 1860.

"The following resolution was presented by the mayor and read:

"*Resolved*, That the 85 first mortgage bonds of the Kenosha, Rockford, and Rock Island R. R. Co., held by the city of Kenosha to secure the city for the payment of scrip issued by the city in aid of said railroad company, by and with the consent of said railroad co., be placed in the hands of Abraham Hanson, trustee, upon the following conditions, to wit:

"1. That said bonds be deposited in some bank in the city of New York, to the credit of said Hanson, to be transferred by him to any party or parties who shall furnish sufficient railroad iron to lay the track of said railroad from its present termination, near Geneva, to a connection with the western portion of said road at Howard, Ill.

"2. That said Hanson, before he parts with the possession of said bonds, shall require a bill of sale of said railroad iron to some
278 trustee, and the rail either to be delivered in Kenosha or the freight paid thereon by Kenosha, and a policy of insurance taken out for the actual value of said R. R. iron.

"3d. That the mortgage now held by this city upon the track of said railroad co., and upon all its property, rights, and franchises, from the city of Kenosha to the State line of Illinois, be, and the same is hereby, cancelled and discharged upon the said R. R. co. delivering to the treasurer of this city $150,000 in the bonds of said company, secured by a second mortgage upon said road, its property, rights, and franchises, from Kenosha to Howard, at the rate of $10,000 per mile.

"4. That the delivery of said $150,000 of bonds, secured as last above mentioned, be, and the same is hereby, declared to be a full and complete discharge, and full settlement and payment, of all demands that this city has against said R. R. co.

"Sec. 2 of the resolution was amended as follows:

"Add at the close of said section the words, 'and in case the iron so purchased shall be lost in its transit from New York to Kenosha, the money received for its insurance shall be deposited in some bank in the city of New York for the repurchase of iron for the same purpose.'

"The question was then taken on the resolution as amended, and adopted.

279 "REGULAR MEETING, *May* 19*th*, 1862.

"Ald. Quarles, of the judiciary committee, made the following report on city indebtedness:

"The judiciary committee, to whom was referred the subject of the city indebtedness, report that they have examined the records relating thereto, and have cast the interest on the bonds issued by the city

up to July 1st, 1862. The $66,000 railroad scrip was partially redeemed, and to ascertain the exact sum outstanding required more labor than, in the opinion of the committee, was necessary to accomplish the object in view, viz., to ascertain nearly the indebtedness of the city.

"It was therefore assumed that $38,000 of said scrip is still unredeemed, on which sum interest was cast at the rate of 7 per cent. to July 1st, 1862, at which time we find the amount due on harbor and railroad bonds and scrip to be $395,066 34, exclusive of costs on judgments," &c.

And thereupon the plaintiff rested, and the above and foregoing is all of the evidence offered and given in said trial by said plaintiff.

And thereupon said defendant, to maintain said issue on its part, produced and read in evidence from the records of the city of Kenosha the following proceedings of the common council of the city of Kenosha:

280 *Proceedings of the common council of Kenosha in relation to the issue of 7 per cent. bonds to K. & B. R. R.*

"MAY *4th*, 1853.

"On motion of Ald. Bond, it was—

"*Resolved*, That the mayor of this city be, and he is hereby, directed to issue a proclamation calling an election, in pursuance of sec. 4 of 'An act authorizing the city of Kenosha to aid in the construction of the Kenosha and Beloit railroad,' approved March 22d, 1853, for the purpose of having the question determined by the legal voters whether the bonds of said city shall be issued to the amount of one hundred and fifty thousand dollars as contemplated and authorized by the provisions of said entitled act.

"2d. *Resolved*, That said election be held on Saturday, the 14th of May inst., at the usual places of holding city elections, viz., city hall, in the first ward; basement of Allen's house, second ward; methodist church, in third ward; and that the polls be opened at 9 o'clock a. m. and closed at 5 o'clock p. m. of said day, with an intermission of one hour, from 12 o'clock m. to 1 o'clock p. m.

"In pursuance of the foregoing resolution the mayor was directed to publish the following proclamation:

"*Special election.*

281 By order of the city council of the city of Kenosha, I hereby give notice that a special election will be held on Saturday, May 14th, 1853, in the several wards of this city, for the purpose of determining whether city bonds to the amount of one hundred and fifty thousand dollars shall be issued to the Kenosha and Beloit Railroad Company in accordance with the provisions of a law of the State entitled 'An act authorizing the city of Kenosha to aid in the construction of the Kenosha and Beloit railroad,' approved March 22d, 1853.

"The election will be held in the city hall, in the first ward; basement of N. R. Allen's dwelling-house, second ward; basement of the methodist church, third ward. Polls will be opened at 9 a. m. and closed at 5 p. m., with an intermission of one hour, from 12 m. to 1p. m. Qualification of voters and the manner of conducting the election and making returns the same as prescribed in ordinary cases of city elections. The form of the ballots written or printed to be as follows: 'For the railroad,' and 'Against the railroad.'

"May 4th, 1853.

"C. C. SHOLES, *Mayor.*

"MAY 16*th*, 1853.

"The city clerk laid before the council the returns made to
282 him from the several wards of the special election held May 14th ult., to determine by a vote of the electors of this city whether city bonds to the amount of one hundred and fifty thousand dollars shall be issued to the Kenosha and Beloit Railroad Company, in accordance with the provisions of a law of the State, entitled 'An act authorizing the city of Kenosha to aid in the construction of the Kenosha and Beloit railroad,' approved March 22d, 1853, and council having canvassed said returns the result was as follows:

"In the first ward the whole number of votes cast was one hundred and forty-one, of which number one hundred and forty-one were 'For the railroad' and none 'Against the railroad.'

"In the second ward the whole number of votes polled was one hundred and four, of which number one hundred and three were cast 'For the railroad' and one 'Against the railroad.'

"In the third ward the whole number of votes polled was one hundred and eight, of which number one hundred and eight were cast 'For the railroad' and none 'Against the railroad.'

"Majority for the railroad, 351.

"Upon motion of Ald. Bacon, it was thereupon declared that a majority of the legal votors of the city of Kenosha had de-
283 cided in favor of issuing the corporate bonds of said city to the Kenosha and Beloit Railroad Company for a sum of one hundred and fifty thousand dollars, in accordance with the provisions of 'An act authorizing the city of Kenosha to aid in the construction of the Kenosha and Beloit railroad,' approved March 22d, 1853.

"Whereupon, on motion of Ald. Bond, it was—

"*Resolved*, That the mayor and clerk be directed to issue city bonds, in accordance with the vote of the people in favor thereof, to the amount of one hundred and fifty thousand dollars, to be delivered to the proper officers of the Kenosha and Beloit Railroad Company upon such security being given by said company as is provided for in the 'Act authorizing the city of Kenosha to aid in the construction of the Kenosha and Beloit railroad.'

"2d. *Resolved*, That the subject of the security to be given be placed in the hands of the railroad committee, and that the said committee be directed to insist on a mortgage upon the railroad to an amount not exceeding ten thousand dollars per mile.

"AUGUST 8*th*, 1853.

"The railroad committee, to whom was referred the question of the security to be given by the Kenosha and Beloit Railroad
284 Co. to the city of Kenosha to secure said city against the payment of interest and principal on the bonds issued by said city to the amount of one hundred and fifty thousand dollars to aid in the construction of said railroad, made report as follows:

"The railroad committee would respectfully report that they have had a consultation with a com. from the board of directors of the K. & B. R. R. Co., and said committee from said board of directors have proposed to give to this city, to secure them against the payment of principal and interest on the bonds issued by this city in aid of said railroad, a bond secured by mortgage upon the first fifteen miles of said railroad leading out of Kenosha, together with all the depots, warehouses, &c., belonging to said road, situated at Kenosha, subject to a first mortgage to be executed for an amount not to exceed $10,000 per mile.

"And this committee would recommend the acceptance of said proposal, and that the clerk be directed to inform the secretary of said company of the acceptance by this city of this proposal.

"On motion of Ald. Bacon, the report was accepted and adopted.

"AUGUST 23*d*, 1853.

285 "On motion of Ald. Bond, it was resolved that the bond and mortgage executed by the Kenosha and Beloit Railroad Company, and this day delivered, to indemnify the city of Kenosha against the payment of the principal and interest of the bonds of said city to the amount of one hundred and fifty thousand dollars, issued by said city in aid of the Kenosha and Beloit railroad, be, and are hereby, accepted by the city council of this city as legally sufficient; and that the clerk be directed to deposit the same with the treasurer of this city for safe keeping until further orders be made in reference thereto."

And said defendant, to further maintain said issue on its part, produced and read in evidence the deposition of Charles C. Sholes, which was in substance as follows:

"That during the year A. D. 1853 he was the mayor of the defendant, city of Kenosha; that during said year of 1853, said defendant, under and by virtue of an act of the legislature of the State of Wisconsin, entitled 'An act authorizing the city of Kenosha to aid in the construction of the Kenosha and Beloit railroad,' approved March 22, 1853, issued its corporate bonds to said Kenosha and Beloit Railroad Company to the amount of $150,000; that he,
286 said Sholes, as mayor of said defendant, delivered said bonds to said railroad company during said year 1853, and received from said railroad company, in exchange therefor, its bond for a like amount secured by a second mortgage on its railroad; that said $150,000 of bonds are still outstanding against said defendant unpaid, and that the city orders or scrip upon which this suit is based,

forms no part of the indebtedness created under the act of the legislature of the State of Wisconsin last above referred to."

And said defendant, to further maintain said issue on its part, called C. B. Lewis, who, being sworn, testified the bonds referred to in the testimony of Sholes are still outstanding and unpaid; the interest on said bonds to 1859 was paid in scrip, which was authorized to be issued by the common council, June 15th, 1859. The scrip in suit is not of that scrip. A portion of the class of scrip now in suit was redeemed. A tax was levied to pay it in 1859. All that was redeemed was so redeemed by the railroad company. The tax of 1859, levied to pay this scrip, was enjoined in a suit brought by Orlando Foster in the State's court. Only $200 to $300 of said tax was collected before the injunction was served, and none of it afterwards.

287 The defendant here offered in evidence the record of said injunction suit, which was objected to by the plaintiff, which said objection was then and there sustained by said judges, and to which ruling and decision said defendant then and there excepted.

On his cross-examination, Lewis testified $66,000 of scrip was issued in aid of the Kenosha and Beloit railroad by the city of Kenosha, under ordinance No. 32, above mentioned, in three pieces of $22,000 each, payable on the first days of January, 1857, 1858, and 1859. This is the only scrip issued by said city directly to the Kenosha and Beloit Railroad Company. The scrip in suit is a portion of the scrip given to take up that scrip. The 3 pieces of scrip were first taken up and divided into smaller denominations, in the aggregate for the same amount and payable at the same time. The scrip in suit is a portion of the scrip issued in 1859 to take up the scrip last issued and the interest accrued thereon.

And thereupon the defendant rested; and the above and foregoing is all of the evidence offered or given upon said trial.

And thereupon said court found said issue in favor of said
288 plaintiff, and ordered that a judgment be entered in favor of said plaintiff for the amount of said scrip and the interest accrued thereon.

And because none of the said exceptions appear in the record of the proceedings of this cause, the said district judge, at the request of the respective parties hereto, has set his hand and seal, at the city of Milwaukee, in the State of Wisconsin, this twenty-third day of September, A. D. 1867, to this bill of exceptions.

[SEAL.] A. G. MILLER.

And afterwards, to wit, at a stated term of said court begun and held at the city of Milwaukee on the second Monday (being the thirteenth day) of April, A. D. 1868, and on the ninth day of said term, to wit, on the 22d day of April, A. D. 1868, the following proceedings were had, to wit:

Supreme Court

OF THE

THE CITY OF KENOSHA,

Plaintiff in Error,

vs.

ALONZO CAMPBELL,

Defendant in Error.

This case was before this Court at the December Term, 1866, and is reported in the 5th of Wallace 194.

We understand that every question involved in the record now presented to this Court was then decided, and that this case is now brought here merely for delay and we ask that damages may be awarded under the twenty-third rule of this Court.

It was claimed then, as now, that the City of Kenosha had no authority to issue the scrip upon which this suit was brought, that section 8 of the amended Charter of the City of Kenosha, approved March 23d, 1853, and section 44 of the original Charter, approved February 8th, 1850, so far as the same authorizes the issue of this scrip are unconstitutional and void; that in Foster vs. the City of Kenosha. 12th Wisconsin 616, decided by the Supreme Court of the State of Wisconsin at the June Term, 1860, that Court held, that

section 3, Article XI. of the Constitution of the State, which provides that "It shall be the duty of the Legislature, and they are hereby empowered to provide for the organization of cities and incorporated villages,and to restrict their power of taxation and assessment, borrowing money, contracting debts, and loaning their credit, so as to prevent abuses in assessments and taxation, and in contracting debts, by such municipal corporations," is in conflict with section 8 of said amended Charter, inasmuch as the Legislature did not restrict the Common Council of the City of Kenosha, as to the amount of indebtedness it might incur or the amount of taxes it might levy for the purposes therein specified. It is true that that section of the Charter, does provide, that "no tax shall be levied, or money borrowed except in accordance with the provisions of section forty-four of the City Charter (which requires that it shall first be submitted to a vote of the freeholders of the city,) (241, printed case,) and in all cases where questions under this section are submitted to qualified voters, the amount and object of the proposed tax or loan shall be specifically stated to be voted upon."

The notice attached to the plea in this case sets forth a full compliance with the provisions of the Charter in the issue of this scrip, it shows that the ordinance was duly submitted to the legal voters and was authorized by their vote; that in August, 1856, the original scrip was issued in pursuance of said ordinance, "that said city notes or scrip having matured and not having been paid, the Common Council of said city on or about June 15th, 1859, by resolution, directed the Mayor and Clerk to issue new scrip due one third in one, one-third in two, and one-third in three years from January 1st, 1859, with interest at seven per cent. per annum, and to deliver to the holders of the first issued city notes or scrip such new scrip to the amount of the old scrip and interest, whenever such old scrip should be presented for that purpose, and that the plaintiff herein having a large amount of such old scrip, presented the same and received in lieu thereof the 570 city orders or scrip named in the declaration."

The old scrip had circulated from hand to hand as negotiable paper for three years; no one doubted its validity; the city had done everything that could be done to give it currency and credit. On the 3d of April, 1856, it delivered the scrip to the Railroad Company and received a certificate of stock to the amount of sixty-six thousand dollars, which was filed in the office of the City Treasurer. (Printed case, p. 243.) In October, 1856, the Legislature of the State passed an Act to provide for the election of a Railroad Commissioner in the City of Kenosha to represent this very stock, and which was all the stock of the Railroad Company which the City held. In November, 1856, a Commissioner was elected by the voters of the City of Kenosha, who qualified and acted as such Commissioner and was *ex-officio* a director of said Railroad Company, (printed case, p. 246.)

In March, 1857, the Legislature passed an Act entitled "An Act to consolidate and amend the Act to incorporate the City of Kenosha and the several Acts amendatory thereof," the 12th chapter of which provides for a Railroad Commissioner and defines his duties, and provides among other things that, "he shall hereafter redeem all scrip which has been issued to said Railroad Company as the same becomes due, making such provisions therefor, or recommending such measures to the Common Council as he may deem necessary for the protection and benefit of the tax-payers of the city."

Under this last provision of the Charter passed in 1857, that scrip was taken up and the new scrip issued upon which this suit is brought.

His Honor, Justice Davis, in delivering the opinion of this Court in this case, (5 Wal. 204) speaking of this Act says: "Of such importance did the Legislature consider the interests of Kenosha in the railroad to Beloit, that a Commissioner, of the dignity of a city officer was deemed necessary to look to them. And that the Legislature intended to ratify the proceedings of the Common Council, which resulted in the subscription of stock to the railroad and issue of the scrip, *is very clear*, else why was the Commissioner directed to provide for the payment of the scrip as it matured. The words of the law are imperative. The Commissioner SHALL redeem the

scrip. Surely the Legislature would not command this to be done unless it intended to recognize the validity of the scrip.

"To redeem all scrip which had been issued to said railroad company as the same became due," the very words of the law—can mean nothing else than that such issue of scrip had received legislative sanction, and in the opinion of the law-makers, ought to be paid.

If this is so, the ratification of the disputed proceedings of the Common Council is as complete as if they had been particularly named, and their issue of scrip is relieved from all taint of illegality.

After the revised Charter was given to the City, the Common Council at different times, and in various ways, recognized the validity of the scrip, and finally, in June, 1859, settled with some of the holders of it, who were willing to extend the time for payment—taking up the old securities and issuing new. This suit is brought upon the scrip received on that settlement."

We now ask the Court to affirm the judgment of the Court below with damages.

The case was heard here December Term, 1866, and is reported in 5 Wallace 194.

The cause was subsequently tried at the Circuit in April, 1867, and a judgment rendered for the plaintiff, to reverse which the present writ of error is prosecuted.

It is not sought to review the principles of law settled, or to re-argue the questions then discussed, but it is claimed either that this Court misapprehended one important and controlling fact, or that it did not sufficiently appear in the case at that time, and that a proper consideration thereof must change the decision then or rather render it inapplicable to the case as now presented to the Court.

The defendant in error brought his action in the Court below, to recover the amount of 570 city orders—which several orders, excepting the numbers, amount and time of payment, were in the words and figures following, to-wit :

$5.00. City Order or Scrip. No. 1,658.

Kenosha, June 18th, 1859.

"The treasurer of the City of Kenosha, pay to the order of Wm. "A. Hickok, or bearer, five dollars on the first day of January, 1860, "with interest at the rate of seven per cent., out of any funds in the "treasury belonging to the city, the same having been allowed for "scrip in aid of the Kenosha and Beloit Railroad Company.

"A. FARR, Mayor.

"Countersigned, C. B. LEWIS, Clerk."

The first count of the declaration, counts on 122 of said orders, all payable January 1st, 1860, and amounting to $1,930.77. (Record pp. 2 to 27.)

The second count, counts on 191 of said orders, due January 1st, 1861, amounting together to the sum of $5,533.29. (Record, pp. 27 to 66.)

The third, counts upon 257 of said orders, due January 1st, 1862, amounting in the aggregate to $4,882.46. (Record, pp. 66 to 118.)

The declaration also contains the common counts,—record pp. 118 and 119—and attached thereto a notice that the same 570 orders will be given in evidence on the trial under said money counts. Record pp. 118 to 235.

Each of the three special counts of the declaration allege that said orders were made and issued in pursuance of an act of the legislature of the State of Wisconsin, entitled "An Act to incorporate the city of Kenosha," approved March 2d, 1857, and the various acts amendatory and supplementary thereto. Record pp. 2, 27, and 66. But no such act or amendatory or supplemental acts were introduced, offered or read on the trial of the cause.

The defendant's plea was nil-debit, with a notice that the act of March 23d, 1853, under which the defendant pretended to act in issuing said orders, was in conflict with section 3, of article 11, of the constitution of Wisconsin, and therefore void. Record 235 and 238.

The bill of exceptions is found on pages 254 to 269 of the record. The former bill of exceptions is found on pages 238 to 254.

On the trial the plaintiff introduced and read in evidence, section 44 of the Charter of Kenosha, which required a vote of the people before levying a tax for the purposes contemplated in section 8. Record, p. 255.

Also, an act, approved March 22d, 1853, authorizing the city of Kenosha to aid in the construction of the Kenosha and Beloit Railroad, by loaning its bonds to said railroad for $150,000. The terms of the bonds are prescribed, as well as the security to be taken on delivery of said bonds, which was to be a bond secured by a mortgage on said railroad, and was to be held by said city and pledged to the holders of said bonds. Record, pp. 255 and 256.

The bonds authorized to be issued under this act were issued to said railroad company as a loan, and the security provided by the act, given to said city, which bonds are now outstanding. This fact sufficiently appears from the bill of exceptions. Testimony of C. C. Sholes, record, pp. 268 and 269.

This act, therefore, of March 22d, 1853, has no reference to the matter in dispute, and need not be further noticed, as this scrip was not issued under or in pursuance of it.

The counsel for the plaintiff next introduced an act to amend the Charter of the city of Kenosha, approved March 23d, 1853, and read therefrom as follows:

"SECTION 8. The city council shall have power to levy and collect "special taxes for any purpose (aside from what may be specially "provided for in the charter) which may be considered essential to "promote or secure the common interest of the city; or may borrow "on the corporate credit of the city for such purposes, any sum of "money for any term of time, at any rate of interest not exceeding "ten per centum, and payable at any place that may be deemed ex-"pedient. Bonds or scrip may be issued therefor under the seal of "the corporation, and the resources and credit of the city pledged for "the re-payment of the sums so borrowed, with the interest on the "same. All such moneys shall be expended under the direction of "the city council; but no such tax shall be levied, or money bor-"rowed, except in accordance with the provisions of section forty-"four of the city charter, and in all cases when questions under this "section are submitted to qualified voters, the amount and object of

$5.00. City Order or Scrip. No. 1,658.

Kenosha, June 18th, 1859.

Hickok, or bearer, five dollars on the first day of January, 1860, "with interest at the rate of seven per cent., out of any funds in the "treasury belonging to the city, the same having been allowed for "scrip in aid of the Kenosha and Beloit Railroad Company.

The bill of exceptions is found on pages 254 to 269 of the record. The former bill of exceptions is found on pages 238 to 254.

On the trial the plaintiff introduced and read in evidence, section 44 of the Charter of Kenosha, which required a vote of the people before levying a tax for the purposes contemplated in section 8. Record, p. 255.

Also, an act, approved March 22d, 1853, authorizing the city of Kenosha to aid in the construction of the Kenosha and Beloit Railroad, by loaning its bonds to said railroad for $150,000. The terms of the bonds are prescribed, as well as the security to be taken on delivery of said bonds, which was to be a bond secured by a mortgage on said railroad, and was to be held by said city and pledged to the holders of said bonds. This fact sufficiently appears from the bill of exceptions. Testimony of C. C. Sholes, record, pp. 268 and 269.

This act, therefore, of March 22d, 1853, has no reference to the matter in dispute, and need not be further noticed, as this scrip was not issued under or in pursuance of it.

The counsel for the plaintiff next introduced an act to amend the Charter of the city of Kenosha, approved March 23d, 1853, and read therefrom as follows:

"SECTION 8. The city council shall have power to levy and collect "special taxes for any purpose (aside from what may be specially "provided for in the charter) which may be considered essential to "promote or secure the common interest of the city; or may borrow "on the corporate credit of the city for such purposes, any sum of "money for any term of time, at any rate of interest not exceeding "ten per centum, and payable at any place that may be deemed ex-"pedient. "the proposed tax or loan shall be specifically stated to be voted "upon. Taxes for any of the objects here contemplated shall be "levied exclusively upon all the lots and lands in said city not ex- "empt from taxation by laws of this State or United States, and not "including or estimating any improvements made thereon." Record, p. 238.

The plaintiff's counsel then read in evidence an act to provide for the election of a railroad commissioner in the city of Kenosha, approved Oct. 2d, 1856, Record, pp. 257–8.

Also, an act to consolidate and amend the act to incorporate the city of Kenosha, and the several acts amendatory thereof, approved March 2d, 1857. Record, p. 258.

Also, chapter 12 of the same act, relative to railroad commissioner. Record, p. 259.

The plaintiff's counsel then *offered* to read in evidence an ordinance of said city, relative to a tax in aid of the Kenosha and Beloit Railroad, passed in August, 1855, as follows:

"SECTION 1. *Be it ordained by the Common Council of the City "of Kenosha:* That under and in accordance with section 8 of an "act to amend the charter of the city of Kenosha, approved March "23d, 1853, and section 44 of the act to incorporate the city of Ken- "osha, a quest on shall be submitted to the legal voters, whether a "tax to the amount of one hundred and fifty thousand dollars shall "be levied and collected for the promotion of the common interests "of the city, in aid of the Kenosha and Beloit Railroad, as follows, "viz: Fifty thousand dollars in 1856, fifty thousand dollars in "1857, and fifty thousand dollars in 1858.

"SECTION 2. The election for this purpose shall be held on Tues- "day, the 28th day of August, instant, in the first ward at the City "Hall, in the second ward, basement of Mr. N. R. Allen's dwelling "house, and in the third ward, at No. 2's Engine House. The polls "shall be open at 9 A. M. of said day, and close at 12 M.; open "again at 1 P. M., and finally close at 5 P. M. The qualifications "of voters are as prescribed by section 44 of the act last above re- "ferred to, and the election shall be conducted generally as other "elections in said city are conducted for city purposes. The ballots

"shall have written or printed thereon the words: 'For tax as pro-
"vided by ordinance, or against tax.'

"SECTION 3. Upon the return and canvass of the votes cast, if it
"shall appear that a majority of the legal voters have voted for such
"tax, the Mayor shall, in the name of the city of Kenosha, subscribe
"to the capital stock of the Kenosha and Beloit Railroad Company
"the sum of sixty-six thousand dollars, for which stock, on the re-
"ception by the Treasurer of this city of full paid certificates cover-
"ing said sum, the Mayor and Clerk shall issue and deliver to the
"Railroad Company, city scrip in such denominations as the proper
"officers of said Company may request, as follows: twenty-two thou-
"sand dollars, payable first of January, A. D. 1857; twenty-two
"thousand dollars, payable first of January, A. D. 1858; and twen-
"ty-two thousand dollars, payable first of January, A. D. 1859;
"said scrip to bear an interest of ten per cent., and the interest to
"be paid annually." Record, p. 260.

In connection with said Ordinance, said plaintiff's counsel also offered in evidence the proceedings of the City Council, held August 29th, 1855, by which it appeared that the election provided for had been held, and that the majority was in favor of the tax.

The defendant's counsel objected to the reading of said Ordinance and the proceedings of said meeting in evidence, for the reason that said 8th Section of the Act to amend the Charter of the City of Kenosha, approved March 23d, 1853, and the ordinance and other proceedings under it, were unconstitutional and void, as being in contravention of Section 3d, of Article 11th of the Constitution of the State of Wisconsin. The Court overruled the objection and the defendant excepted. Record pp. 260 and 261.

The plaintiff then offered to read in evidence from the city records of Kenosha, as follows to-wit:

"CITY CLERK'S OFFICE, April 31, 1856.

"This day were delivered to the Kenosha & Beloit Railroad Company
"three orders, of twenty-two thousand dollars (22,000) each, with
"interest at ten (10) per cent., numbered one (1), two (2), three (3),

"and payable as follows: No. 1, January 1st, 1857; No. 2, Jan-
"uary 1st, 1858; No. 3, January 1st, 1859, in accordance with an
"ordinance of the city. A certificate of stock for sixty-six thousand
"dollars ($66,000) delivered by Secretary of the Kenosha & Beloit
"Railroad Company to me, placed in the hands of the Treasurer.

J. MURRAY, City Clerk."

The defendant's counsel objected to the reading the same in evidence on the same ground stated above, and the Court overruled the objection and defendant excepted. Record 261.

The plaintiff's counsel then offered the several orders or scrip set out in the declaration; to the reading of which in evidence, the defendant's counsel objected for the reason above stated, and the Court overruled the objection and defendant excepted. Record 261.

The plaintiff's counsel offered in evidence the proceedings of a meeting of the Common Council held August 9th, 1856, at which the Mayor and Clerk were authorized at the request of the Railroad Company, to take up the three city orders first given, and to issue the same amount in such sums as the Railroad Company might desire, payable one-third in May, 1857, one-third in May, 1858 and one-third in May, 1859. To the reading of which the defendant's counsel objected, and the Court overruled the objection and defendant excepted. Record 262.

The plaintiff's counsel then introduced the record of several meetings of the Common Council, all of which was objected to, the objection overruled and exception taken.

Showing election of Railroad Commissioner, November 5th, 1856. Record 262.

June 14th, 1859.

A committee was appointed to negotiate with scrip holders.

June 16th, 1859.

Proposition from Railroad Company to exchange first mortgage bonds for scrip redeemed by city which Railroad should have taken up—which was given for interest on bonds. Record 263.

Report of committee and action of Council relative to scrip issued to Railroad. Record 263 and 264.

Also provision for paying interest on bonds in scrip. Record 264.

The defendant introduced in evidence the proceedings to show that bonds were issued under said special Act, March 22d, 1853, to the full amount thereof in 1853, which are still outstanding, and that this scrip is no part of said indebtedness and has no connection with it. And therefore that said law was exhausted by that issue and was no authority for the issue of this scrip. Record 266 to 269.

The scrip in question, was issued in 1859, Record 263-4, to take up scrip of 1856 given for subscription to stock, Record 262 261-260. And the question now presented is, whether the city had any authority to make said subscription or issue said scrip. I contend it had not.

I.

This cause when formerly before this Court was evidently decided upon the hypothesis that the Act of March 22d, 1853, authorizing the loaning of the credit of the city to the railroad for one hundred and fifty thousand dollars was in full force, as an authority to make this subscription; and that the subscription and scrip should be upheld for that reason.

By reference to the syllabus of the case as reported in 5 Wallace 194, we find the substance of the decision stated as follows: "Where the Legislature of a State passes two Acts, one, (which by the Constitution it had the power to pass,) authorizing a City to subscribe a limited amount ($150,000) of stock to a railroad, another (which, by the Constitution, it had no power to pass,) authorizing it to subscribe an unlimited amount, and the City, professing to act under the one which authorized the unlimited amount, subscribes the limited amount ($150,000) a subsequent recognition by the Legislature of the subscription as legal, validates the subscription."

The above syllabus correctly states the point of the decision.

The Court all through the opinion treat the case as one, where there was a valid authority to make the subscription, and that the city authorities in making it had by mistake acted under an invalid authority, and that such a mistake was curable.

See opinion of Court, 5 Wallace 199 to 205.

In this supposition the Court were entirely mistaken for the reason that at the time when said subscription was made there was no such valid authority as was supposed.

The Act of March 3d, 1853, was exhausted in 1853 by the issue of the full amount authorized to be issued under it The whole of which is now outstanding as a debt against said City.

See Record, pp. 266 to 269.

Hence, at the time when this scrip was issued in 1856, the said Act of March 22d, 1853, was no authority for the issue of the same. The decision of this Court, therefore, in this case, based upon the hypothesis that said Act was then in full force and a valid authority for making this subscription is wholly inapplicable to the case as it is now presented.

That decision held this subscription and the issue of this scrip valid by reason of that law, supposing it to be in full force, but it now appears that that law had been exhausted more than three years previously, and therefore it was no authority whatever for this scrip or subscription.

We are, therefore, not asking the Court to reverse its former decision, but have presented a new case on the facts, which renders the former decision inapplicable to this case as it is now presented.

In consequence of this misapprehension of the real facts of the case on the former appeal, the true question involved in the case and presented by the counsel for the present plaintiff in error was not considered by the Court; nor was it necessary that it should be had the facts in reality been as the Court assumed them to be.

This misapprehension is now removed and the facts of the case as now presented show that the only pretence of authority upon which the City Council assumed to act in making this subscription and issuing this scrip was section 8 of the amended charter, approved March 23, 1853.

The real question then, in the case is, was that Act a valid and sufficient authority for the subscription to the stock and the issue of this scrip.

II.

There was no authority in the city to subscribe to the capital stock and issue its orders or scrip in aid of the Kenosha & Beloit Railroad Company, and the scrip issued for that purpose is, therefore, void.

Each of the orders or scrip counted upon shows on its face, that it was issued, "in aid of the Kenosha & Beloit Railroad Company," and not for any municipal purpose. The holders thereof all took it with full notice of the purpose for which it was issued, and were bound to inquire into the authority of the city to issue it, and cannot be regarded as innocent purchasers or holders without notice, and entitled to protection, if there was no authority for its issue.

The plaintiff, in order to recover, was bound to show affirmatively, that such authority existed. There was no presumption in his favor on this point.

In the case of Thompson vs. Lee County, 3 Wallace, 330, this Court say :

"A county or other municipal corporation, has no inherent right "of legislation, and cannot subscribe for stock in a public improve- "ment, unless authorized to do so by the Legislature. Such a cor- "poration acts wholly under a delegated authority, and can exercise "no power which is not in express terms, or by fair implication, con- "ferred upon it. But the legislator of a State, unless restrained by "organic law, has the right to authorize a municipal corporation to "take stock in a railroad or other work of internal improvement, to "borrow money to pay for it and to levey a tax to repay the loan."

The question, therefore, for our consideration is, was the city of Kenosha authorized to issue these orders in aid of said railroad company ?

The pretended authority upon which the city acted, as we have already seen, was Section 8, of the amendment to the City Charter, approved March 23d, 1853, and the ordinance and other proceedings, passed by said city, in pursuance of said act. Record pp. 259 to 262.

We deny that said act and the proceedings under it were any authority for the issue of said scrip or orders, for the reason that

said section 8 of said act was in direct contravention of Section 3 of Article 11 of the Constitution of the State of Wisconsin, which is as follows :

"It shall be the duty of the legislature, and they are hereby em-
"powered, to provide for the organization of cities and incorporated
"villages, and to restrict their power of taxation, assessment, bor-
"rowing money, contracting debts, and loaning their credit, so as to
"prevent abuses in assessments and taxation, and in contracting
"debts by such municipal corporations."

Said section 8, purports to confer upon said city of Kenosha, by way of amendment of its charter, unlimited power in all these particulars, and is therefore void, as being in conflict with said provision. Argument can hardly make this proposition more plain. The constitution makes it the *express duty* of the legislature to restrict the power of such corporations in these matters ; but the legislature, as if in open defiance of its mandate, has attempted to grant to this city unlimited power, to levy and collect special taxes for any purpose which may be considered essential to promote or secure the common interests of the city, and for such purposes to borrow any sum of money for any term of time. It is difficult to conceive a more absolute grant of power, or one that would more completely subject the whole property of the city to the wild and reckless schemes of the city council, for fancied improvements. We therefore insist, as an original proposition, that it would be the duty of this Court, to hold said section 8 unconstitutional and void. But the question is not an open one in this Court. It has already been passed upon by the Supreme Court of the State of Wisconsin, which is the proper tribunal to determine its validity under the constitution of Wisconsin, and its decision, on this question, is conclusive upon this court.

Foster vs. the city of Kenosha, 12 Wis. 616.

This action was brought in the Circuit Court of Kenosha County, to enjoin the city of Kenosha from collecting a certain tax, levied upon real estate in said city, for the purpose of paying this identical scrip and the remainder of the same issue, and an injunction obtained, restraining its collection, and on appeal to the Supreme Court the judgment was affirmed on the ground that said section

eight was void, as being in conflict with said section three of article 11, of the Constitution of Wisconsin. The sole question before the Court was the constitutionality or unconstitutionality of section eight; and the Court were unanimous that it was unconstitutional and void, and so adjudged. This was the first adjudication of the Supreme Court on this question, and stands to-day as the final and settled judgment of said Court upon that subject. We therefore insist that said city of Kenosha had no authority to subscribe for stock in the Kenosha & Beloit Railroad Company, or to issue its scrip in payment of said subscription or in aid of said Railroad Company.

It is true that the Court in their opinion, in that case say, "whether this would render the scrip of the city, issued in pursuance of that action of the Common Council, void or not, we will not attempt to determine in this proceeding."

That question was not then before them, and there was no necessity to say that the scrip was void. But the question that was before them was whether the tax that had been levied to pay that scrip was legal or void. And they declared it void on the sole ground that the city had no authority to issue the scrip or create the debt.

It was not declared void because improperly or irregularly issued, but solely upon the ground of a total want of authority to issue the scrip and make the debt. That decision was an express adjudication of the supreme tribunal of the State, that the City of Kenosha had no legal right or authority to make the debt, and as a necessary consequence had no power or authority to take any step to pay it. For municipal indebtedness can be paid only by taxation.

That decision declared and decided that there was a total want of power in the city to create this debt, and in such a case this Court have decided that the indebtedness of a municipal corporation is not valid. 3 Wallace 330.

That this scrip in its inception was void and must so be held in all Courts, results necessarily from the fact that there was no authority to issue it, and inasmuch as the Supreme Court of the State has already decided that there was no authority for its issue, we may safely rest on that decision as the law in this case on this question. The scrip having been issued and the debt incurred without authority of law, it

necessarily follows that it is void and cannot be enforced unless by some subsequent process it has been ratified and legalized.

III.

"The construction given to a statute of a State by the highest judicial tribunal of such State, is regarded as a part of the statute, and is as binding upon the courts of the United States as the text."

Leffingwell vs. Warren, 2 Black, 603.
Shelby vs. Guy, 11 Wheaton, 337.
McCluny vs. Silliman, 3 Peters, 270.
Greene vs. Neil's lessee, 6 Peters, 291.
Ross vs. Duvall, 13 Peters, 45.
Massingall vs. Downs, 1 Howard, 767.
Nesmith vs. Sheldon, 1 Howard, 812.
Van Renslear vs. Kearney, 11 Howard, 297.
Webster vs. Cooper, 14 Howard, 504.

This case comes strictly within the above rule, which is the settled practice of this court. It is not a question of mercantile or commercial law, nor of impairing the obligations of contract, but simply a question of power and authority arising "on the construction of the constitution and statute law of the State of" Wisconsin. In such a case this court say, in Mercer County vs. Hackett, 3 Wallace, 96, "*We would have felt bound to follow it*," the decision of the State court.

This case is not within the decision in the case of Gelpcke vs. Dubuque, 1 Wallace, 175, for here the Supreme Court of Wisconsin has never changed its decision, but declared the law unconstitutional when it was first brought to its notice, and have always adhered to that decision. To hold that the decision in that case applied here, would entirely nullify all provisions of the State constitution which

attempted to restrain the legislature from authorizing cities, towns or counties from running in debt. It is true that the city has assumed to act under this law, and has issued this scrip. But the scrip shows on its face for what it was issued, and the provisions of the constitution and the law were notice to all the world, which they were bound to regard. The law was utterly void, as being in conflict with the constitution, and therefore no authority to the city, and the Supreme Court so held at the first opportunity. In the case last cited the court say: "where there is no defect of constitutional power, such legislation in cases like this is valid."

The converse of that proposition is also true, that where there is such defect of constitutional power, such legislation is invalid. The fact that the city council have acted under such invalid law and attempted to create a debt against the city, does not make it valid as to such debt, but it is void *in toto* and for all purposes. Otherwise the constitution is no protection, and it may be violated with impunity,,and a debt contracted by a municipal corporation under an unconstitutional law, which was no authority for contracting it, if done before the Supreme Court of the State adjudged it void, is equally binding upon the corporation as it would have been had the law been constitutional and valid. In other words, the law would be constitutional for that purpose, but void for all others. This cannot be the true construction of the matter. The law must be held void for all purposes, and the action under it without authority, the same as if no law had existed. So the highest tribunal of the State has adjudged, and we claim that its decision on the validity of this law is conclusive upon this court.

IV.

This scrip has never been ratified, confirmed or legalized so as to become a legal and binding indebtedness against the City of Kenosha. The city could not ratify, confirm or legalize it without legislative authority.

If the City Council had no authority to make the subscription to the capital stock of the Kenosha and Beloit Railroad Company, or to issue its scrip in payment thereof, or in aid of said Railroad, then no subsequent act of said Council could ratify and confirm said action so as to make it valid and binding against the City, for the reason that there was an equal want of power or authority to ratify, as there was to act in the first instance.

On the trial of this cause in the Court below, the plaintiff introduced evidence with a view to prove a ratification; all of which should have been excluded on the ground that the City had no power to ratify or confirm said action. Such exclusion would have b en correct, for manifestly if the City had no power to act originally, it could not, by ratifying or confirming, make its former action valid—for the same reason, want of power. To hold otherwise would be to say, that the City Council could accomplish indirectly what it was totally without power to do by any direct action. We shall, therefore inquire whether the City Council ever had any valid power from the Legislature to ratify their action in this particular and if so has it used it?

We deny that such ratification could have been made by the City Council even had the Legislature attempted to have conferred upon the city any such power. They could not make valid what was before void and of no binding force; a direct vote of the people alone could accomplish it.

Rochester vs. Alfred Bank, 13 Wis., 432.

But waiving this objection, let us inquire whether any such authority was ever attempted to be given by the Legislature. We can find no such authority.

Several acts of the Legislature were introduced under the pretence of showing that this scrip and indebtedness had been so ratified by the Legislature, but we are wholly unable to discover any bearing they have on the question; but as they have been given in evidence, we propose briefly to refer to them.

The first of these Acts is the one already so much considered, the "Act authorizing the City of Kenosha to aid in the construction of the Kenosha and Beloit Railroad," approved March 22d, 1853. We have already shown that this Act had nothing whatever to do with this scrip, and as it was passed and fulfilled its mission some three years before the first issue of this scrip, we may safely calculate that it was not intended as a ratification thereof.

The next Act of the Legislature relied upon is entitled an Act to provide for the election of a Railroad Commissioner in the City of Kenosha, approved Oct. 2d, 1856. Record, pp. 257-8.

There were also introduced in evidence section 2, and chapter 12, of An Act to consolidate and amend the Act to incorporate the City

of Kenosha, and the several Acts amendatory thereof. Record, pp. 258-9.

Said section 2 relates to the corporate powers of the City, and chapter 12 of the same Act re-enacts the former provisions relative to a Railroad Commissioner with some modifications. These are the only Acts of the Legislature introduced on the trial or relied upon to establish a ratification. It will not be pretended that they directly or in terms ratify this subscription of stock, or the issue of this scrip, and we are therefore to consider whether they do it by implication or whether it is not an utter perversion of their true scope and object to give them any such construction. If there was a legitimate object for which a Railroad Commissioner could be elected in the City of Kenosha, aside from this subscription and scrip, then certainly a law providing for the officer and the election of such officer should not be construed as a ratification of another transaction wholly unwarranted and void. If there was a legal and proper object for which such officer could be provided, we are bound to presume that it was to subserve that object, and not to ratify an illegitimate one that such office was created. In such case no implication would arise in favor of such ratification.

The record shows that the City of Kenosha acquired a legal and proper interest to the extent of $150,000, in that railroad in 1853. That the City subsequently issued its scrip in payment of the interest on said bonds issued for that intent and other purposes to the extent of over $80,000 All of which was outstanding at the time of the creation of this office of Railroad Commissioner, and all of which the railroad company had agreed to pay—having been issued by way of loan. Record, pp. 264 and 265.

We therefore find that all the duties of this Railroad Commissioner were properly applicable to the legitimate interests and indebtedness of the city, and hence no reasonable presumption or implication can arise that it was the intention of the Legislature in creating that officer of the city in electing him to ratify or legitimatize any scrip or other transaction of the City Council, which was then illegal and void.

But we may well inquire, is it competent for the Legislature to ratify and confirm a bond or piece of scrip which is utterly void? Supposing the Legislature had by express terms declared a contract before void in full force, would such act without any action or consent

on the part of the contracting parties make valid and binding what was before void? Such is not the doctrine in Wisconsin.

Hasbrouck vs. Milwaukee, 13 Wis., 37.

But the Legislature have taken no such action directly or indirectly and neither has the city.

In order to ratify, the Court must find that it was the intention of the Legislature to give the authority, and then that the city acting upon that authority intended to ratify the issue of this scrip. Is there any such proof? Can this Court find such intention? The pretence that every Act passed by the Legislature in relation to the City of Kenosha, or even in relation to the railroad, is to be construed as a grant of power to the defendant to ratify this illegal scrip or as an actual ratification of it, is simply ridiculous. Or that such ratification could be accomplished without any Act of the city for that purpose, is monstrous.

There is a total want of legislative action on the subject of ratification, and an equal want of co-operation on the part of the defendant. It is therefore useless to pretend that this scrip has ever been ratified either by the Legislature or the City.

Our defence to this action is not an attempt to show that a valid power or authority granted by the Legislature to the City of Kenosha, has been defectively or improperly executed, but on the contrary we have demonstrated, in the language of the Supreme Court of the United States, in Mercer County vs. Hackett, "that no law existed to authorize" the making of this subscription or the issue of this scrip.

We therefore insist, that there was no authority or power in the city council, to make the subscription to this stock, or to issue the orders or scrip of the city in payment thereof, or in aid of said Kenosha & Beloit Railroad Company, and that the several changes of the scrip which were made, have not changed its character or effect; that it was entirely void in its inception, and so remains in its changed character; and that the plaintiff was not a *bona fide* innocent holder thereof, inasmuch as the scrip on its face states its character; and there was no law, which, under any circumstances, authorized said city to issue said scrip. The plaintiff was therefore bound to take notice that the same was unauthorized and void, and the judgment of the Court below should be reversed.
